Course Availability

Course enrollments take 24-48 hours to be transmitted from CUNYfirst to Blackboard. If your course is listed as "**not currently available**," your instructor has not made it available to students. **Most instructors will not make their course available until the first day of the semester.** If you are still seeing the course as unavailable AFTER the first day of class, contact your instructor. If you are missing courses, verify your course enrollment in CUNYfirst and see your campus Registrar. If you can see the missing course in CUNYfirst and it is more than 24 hours after you have registered, please see your campus Blackboard Support representative.

Our thoughts

As a group, our goal is to change Blackboard. Our group wanted to...

- Simplify it
- Modernize it
- Add more Customizable features

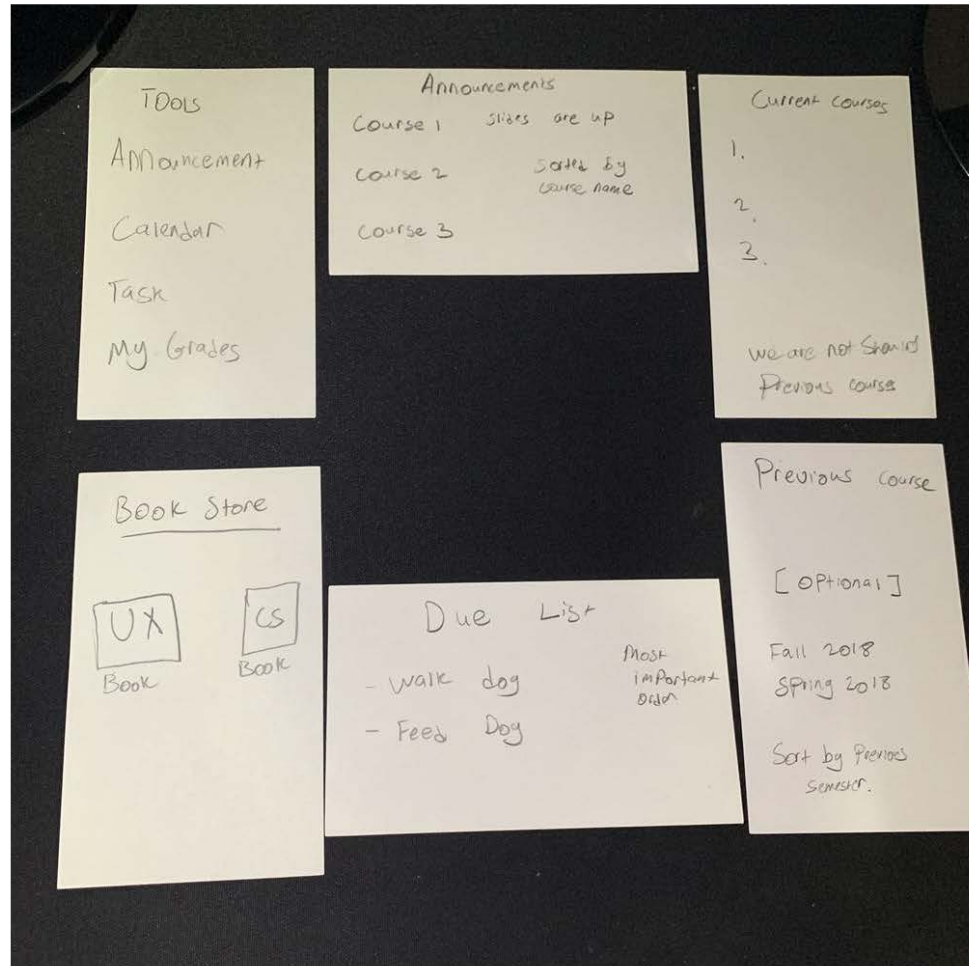

The image to the left our initial plans on how we wanted to lay out the remade website.

Card Sorting

The following image below shows our website layout using index cards.

We briefly talked about LATCH features we wanted to add in certain sections.

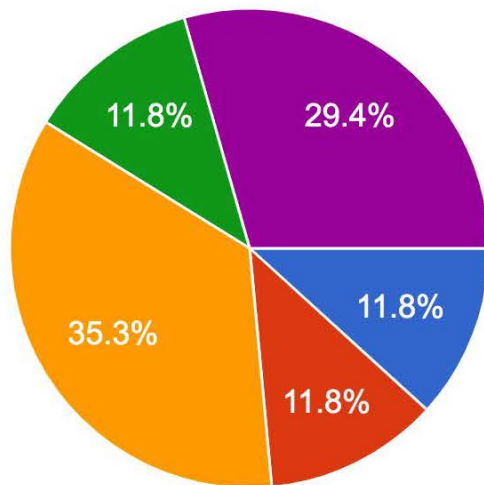

Survey - Data Results

What's the demography?

- Well, all of our users are students of CUNY so they are all required to use Blackboard and at least be familiar with the idea of Blackboard.
 - 17 users.
 - College students from York, Queens, John Jay, City, Hunter, NY City Tech, BMCC.
 - Most of the users are juniors and seniors. Along with a freshman and graduate student.

My overall experience with Blackboard has been positive.

Notable Responses after Paper Prototype Testing

"I think there is a lot of content on a page, but you know where to go".-**Paragati K.**

"A good suggestion is to have a toggle menu for the home page, but overall I liked it". - **Qadeer S.**

"Put the help by the logout button". - **Marvin M.**

"Have percentages for the grade section". - **Richie C.**

"I like how it's a grid and fills up space. It's customizable and I feel with the trend right now". Professor N.
